

ACRE

ASSESSMENT OF CATHOLIC RELIGIOUS EDUCATION

ACRE is available for three distinct levels:

*ACRE 1 (Grade 5)
ACRE 2 (Grades 8 and 9)
ACRE 3 (Grade 11)*

*ACRE provides a systematic evaluation to assist, encourage
and help direct the efforts of religious educators at all levels.*

- + track student progress in religious knowledge and compare local results with diocesan and national trends
- + assess curricular needs and religious education program effectiveness
- + evaluate instructional objectives and strategies
- + apply data about students' religious practices, relationships with their families and service opportunities to curricular emphasis

*"So he ran ahead and climbed the sycamore tree in order to see Jesus, who was about to pass that way. When Jesus reached the place, Jesus looked up and said to him, "Zacchaeus, come down quickly, for today I must stay at your house." And he came down quickly and received him with joy.
Luke 19:4 - 6*
